

Wisconsin EVA Scholarship

- Are you pursuing education that will give you a career in the electric vehicle sector?
- Are you a Wisconsin resident?

If you answered yes to both these questions, then the Wisconsin Electric Vehicle Association scholarship is for you! A state-wide, volunteer run, educational nonprofit, the Wisconsin EVA works to educate people about the benefits of EVs. As these vehicles become more common, we will need people like you who are interested in the service, design, and improvement of the vehicles and infrastructure.

Whether you're pursuing a degree that will allow you service the vehicles themselves, one that will lead to a career working on charging infrastructure, or anything in between, we encourage you to apply for our scholarship! Follow the QR code below for more information, or to apply!

Through our partnership with Bold.org, 100% of funds raised for this scholarship go directly to students. If you would like to contribute to the Wisconsin EVA scholarship fund, contact chapter president, Jeremiah, at wisceva@gmail.com. 100% of your donation will go into the scholarship fund.
